CERTIFICATE OF ANALYSIS

Inositol

(Cyclohexanehexol)

Material Lot #: 1712071
Country of Origin: China

Analysis Date: 10/29/2020
Retesting Date: 10/29/2023

Analysis	Claim	Result
Inositol	≥98%	100.9%

Test	Specification	Result
HNMR ID	Conforms	Conforms
HPLC Assay	≥98%	100.9%
ICP-MS		
Arsenic	≤1.5 ppm	<0.001 ppm
Lead	≤0.5 ppm	0.005 ppm
Cadmium	≤0.5 ppm	0.010 ppm
Mercury	≤0.5 ppm	0.018 ppm
Total Aerobic Count	<1000 cfu/g	Conforms
Yeast & Mold	<100 cfu/g	Conforms
Coliform	<10 cfu/g	Conforms
E.coli	Negative	Conforms
Salmonella	Negative	Conforms

Inositol should be stored at or below room temperature in a tightly sealed durable container.
Inositol should be protected from excess heat, direct sunlight, excess humidity, and moisture.
Inositol has a retesting period of 3 years from the date of analysis when properly stored.

Sample Collected By: Client

Product Name	Inositol	Product Lot Number	1712071
Report Date	10/29/20	Laboratory Number	20101259

Description	Method	Specification	Results
Assay	HPLC	NLT 98%	100.9%
Total Aerobic Count	Biolumix	<1,000 cfu/g	<1,000 cfu/g
Yeast & Mold	Biolumix	<100 cfu/g	<100 cfu/g
E. Coli	Biolumix	Absent	Absent
Coliform	Biolumix	<10 cfu/g	<10 cfu/g
Salmonella	Biolumix	Absent	Absent

Main Benefits

- Myo-Inositol is a common molecule found in the glucose metabolic pathway and is responsible for regulating a wide range of bodily functions.
- Myo-Inositol supplements are effective in improving female vitality; helping to maintain healthy hormone and stress levels; and supporting healthy well-being.
- At higher doses, Myo-Inositol supplements have been found to be effective at producing a calm and relaxed mood.

Main Cautions

- One of the greatest benefits of Myo-Inositol supplements are their apparent lack of adverse effects, when taken at the recommended serving size.
- At higher doses, rare side effects may include nausea, stomach pain, tiredness, headache, or dizziness.
- In one study, extremely large servings were used (30 grams) and the adverse effects experienced by most people were mild gastrointestinal upset.

Usage Tips

- A 1.7cc measuring scoop is included. One level scoop contains approximately one serving, or approximately **1000 mg of Inositol**. As a dietary supplement, take 1-3 servings 1-3 times per day. Start at the lower suggested quantity to assess response.
- It is safe to stack Inositol with other supplements, so long as the amount consumed does not exceed the suggested serving size.
- Inositol benefits are most effective when they are supported by a healthy diet and plenty of exercise.
- This supplement is not intended to treat, diagnose, prevent, or cure any diseases. Consult your healthcare provider before use if you have a medical condition or if you are taking any prescription medications.
- The negative effects of Inositol are dependent on the amount taken, so use of a scale with 10mg or 0.01g accuracy or better is highly recommended.
- Use of capsules, or mixing with tea, yogurt, apple sauce, or oatmeal may help make the powder more tolerable.
